Chief Brezee: All the reports, we're filing them. Me and Derek met today, we are going to appeal to Spartan, the company that built the truck to see if maybe there is some relief they can offer, as well as I have some questions as far as how this occurred and will it occur again?

Chief – Michael Brezee

Chief Brezee: The report's been submitted. Dep.Chief Brown apologizes he's running late, doesn't know if he's going to make it, obviously tending to the family. New members, we have none at this time. We do have several in background check status right now.

Solicitor – David Carlamere

Sol.Carlamere: I have nothing to report.

Resolutions – Renee Evans

Cl.Crockett: We have one Resolution, for the BOFC to establish compensation for members of the Board of Fire Commissioners, to hereby establish annual compensation for its Fire District Commissioners and directs that such approved compensation be submitted to the Municipal Governing Body for review and renewal.

Sol.Carlamere: That is the procedure, it's the first time you're doing it and the first time all the Districts are doing it. So you know, it's a statute that's been on the books for 50 years. The Local Finance Board has never enforced it. There must have been an issue coming out of North Jersey somewhere this year they put out a notice that they want all Districts to adopt that resolution, send it to the Local Governing Body for their approval. To enforce that, you'll see on your budget process that goes to Trenton for approval and this is certification that you adopted the resolution.

Motion made by Comm. Flinn, seconded by Comm. Grier to approve the resolution as read. Roll call vote, all yes.
